WALL & VITRIFIED

Our Journey

FROM INCEPTION TO EVOLUTION AND GROWTH

2015

The Establishment of BlueZone

BlueZone Vitrified was established in 2015 with a vision to create techno-rich surfaces to fulfill all architectural purposes.

2016

Focus on quality and innovation

Concentrating on customer satisfaction through superlative quality, BlueZone focused on manufacturing premium surfaces for high-end architectural projects.

2017-18

Launch of exclusive collections in global exhibitions

Launched exclusive series of new products at 'Vibrant Gujarat' in Ahmedabad, 'Caucasus Build' in Georgia, 'World Build' in Ukraine, and 'DesignX' in Indonesia.

2019

Expansion and growth

Combining innovation, the legacy of ancient artisanal know-how, and maximum industrial efficiency, BlueZone rose to the challenge to support the 'Make in India' project.

2020

Inception of one of the biggest production plant

Created one of the biggest infrastructures in India to produce ceramic wall tiles and launched new products in Cevisama.

2021

Establishment as a leading export house

Started building a new plant to produce the biggest slabs in India and became one of the top 20 exporters of India, exporting tiles to 65+ countries.

2022

Production of big-size slabs

Started the production of big-sized slabs, an innovative move towards growth and expansion.

2023

New additions for greater growth

Surging towards growth, BlueZone has launched a range of new GVT and PGVT slabs.

Introduction

THE BEAUTY OF LARGE SURFACE AND THE HIGH PERFORMANCE OF STONEWARE.

Step into the future with large-scale ceramic concepts, sustainability, innovation, and classics rolled together with wonderful and magnificent sizes and styles. Inspired by nature, the surfaces are the result of a visionary approach taken in the direction of sustainability and ceramic innovation for perfect spaces and interiors.
